

Contents

Section 1 - General

- A. Definitions1-1
- B. Conditions of Service and Standard of Quality1-3
- C. Extensions by Developers1-3
- D. Permits1-8
- E. Industrial Waste Regulations1-9
- F. Special Requirements.....1-10
- G. Detail Drawings.....1-10

Section 2 - Gravity Sewers

- A. General.....2-1
- B. Design Criteria.....2-1
- C. Materials and Equipment.....2-2
- D. Installation.....2-4
- E. Testing and Inspection.....2-7
- F. Detail Drawings.....2-9

Section 3 - Sanitary Sewer Laterals

- A. General.....3-1
- B. Design Criteria.....3-2
- C. Materials and Equipment.....3-3
- D. Installation.....3-4
- E. Testing and Inspection.....3-5
- F. Detail Drawings.....3-5

Section 4 - Service Lines

- A. General.....4-1
- B. Design Criteria.....4-3
- C. Materials and Equipment.....4-3
- D. Installation.....4-4
- E. Testing and Inspection.....4-7
- F. Detail Drawings.....4-8

Section 5 - Precast Reinforced Concrete Manholes

- A. Design Criteria.....5-1
- B. Materials and Equipment.....5-2
- C. Installation.....5-5
- D. Testing and Inspection.....5-7
- E. Detail Drawings.....5-8

Section 6 – Low-Pressure Sewers

- A. General.....6-1
- B. Design Criteria.....6-1
- C. Materials and Equipment.....6-2
- D. Installation.....6-5
- E. Testing and Inspection.....6-5
- F. Detail Drawings.....6-6

Section 7 – Force Mains

- A. General.....7-1
- B. Design Criteria.....7-1
- C. Materials and Equipment.....7-2
- D. Installation.....7-6
- E. Testing and Inspection.....7-8
- F. Detail Drawings.....7-9

Section 8 – Grinder Pumps

- A. General.....8-1
- B. Materials and Equipment.....8-2
- C. Installation.....8-11
- D. Testing and Inspection.....8-12
- E. Detail Drawings.....8-13

Section 9 – Individual Submersible Sewage Pumps

- A. General.....9-1
- B. Materials and Equipment.....9-2
- C. Installation.....9-11
- D. Testing and Inspection.....9-11
- E. Detail Drawings.....9-12

Section 10 – Pumping Stations

- A. General.....10-1
- B. Design Criteria.....10-2
- C. Materials and Equipment.....10-4
- D. Station Construction10-5
- E. Alarm System.....10-14
- F. Tests.....10-15
- G. Emergency Power10-15
- H. Transfer Switch.....10-16
- I. Lighting.....10-17
- J. Electrical Unit Heaters.....10-17
- K. Metal Louvers10-18
- L. Electrical Construction10-19
- M. Start-Up.....10-22

N. Detail Drawings.....10-22

Section 11 - Easements

A. General.....11-1
B. Developer Project Requirements.....11-2

Appendices

Appendix A Individual Submersible Sewage Pump Management Plan
Appendix B Submersible Sewage Pump Rental Form
Appendix C Individual Grinder Pump Management Plan
Appendix D Grinder Pump Rental Form
Appendix E Requirements and Procedures to Construct Extensions to the Sewer System
Appendix F Standard Details
